ABOUT US

ServNet was founded with one objective… to deliver a dramatically higher level of Obsessive Support™ to the small and medium sized business marketplace.

Our employees and our culture…
We hire a unique group of people that has a rare mix of people skills and technical skills, and a burning desire to relentlessly improve the level of service we provide to our customers. That's the #1 reason we have been able to grow so quickly and keep long term relationships with people that bring ServNet with them no matter what company they go to work for.
